<u>Description</u>	<u>Fee Amount</u>
15. Water System Development Fee (WRMC 13.45.025 (C & D))	
a.) Water system development fee for a single-family residential unit and each dwelling unit of a duplex inside the city limits.	\$4,900 per dwelling unit
b.) Water system development fee for a single-family residential unit and each dwelling unit of a duplex outside the city limits.	\$7,350 per dwelling unit

Water system development fee shall be reduced by \$2,500 for parties that provide a separate irrigation system that does not rely on city potable water for irrigation purposes. Prior to approval of the construction plans for a preliminary plat, or approval of a short plat or binding site plan, the owner and/or developer shall pay a \$1,100 per lot portion of the Water system development fee.

c.) Water system development fee for all other users not listed in subsection C shall be based on the size of the water meter service. Fees are reflected in the table below. Except for a second water service for "irrigation use only", owner/developer shall only be required to pay Water connection hookup fee and new account service fee for the "irrigation only" water service. Second water service to be the same size or smaller than primary water service for exception to apply.
