National Night Out August 6th, 5:00 to 8:00 p.m. Flat Top Park

On Tuesday, August 6th, neighborhoods throughout West Richland are invited to join forces for the 34th Annual National Night Out (NNO) crime and drug prevention event.

Join your neighbors and officers from the West Richland Police Department for an evening of community fun! Visit with police officers, play games, and enjoy hamburgers and hot dogs as you learn more about crime prevention. For the past two years, the West Richland Police Officers Association sponsored a dunk tank to raise money for Special Olympics. They have agreed to sponsor the tank again this year and we are hoping to beat last year's fund raiser total.

National Night Out is designed to:

- Heighten crime and drug prevention awareness
- Generate support for, and participation in, local anti-crime efforts
- Strengthen neighborhood spirit and police-community partnerships
- Send a message to criminals letting them know neighborhoods are organized and fighting back

National Night Out, sponsored by the National Association of Town Watch, and co-sponsored locally by the West Richland Police Department, will involve more than 15,704 communities from all 50 States, US Territories, Canadian cities, and military bases around the world. More than 37.5 million people are expected to participate in "America's Night Out Against Crime."

Sponsors are needed for this event. Sponsorship and donations, in the form of money, food, supplies, or prizes for the children's events will help offset costs to the Police Department. For more information, call the West Richland Area Chamber of Commerce at 967-0521.

Did You Know...

West Richland Municipal Code 9.38.020, Public Disturbance Noise Prohibited, includes the following:

No person, whether or not that person is in actual possession of the noise source, shall create, continue, or cause to be created or continued, or allow to be created or continued, any public disturbance noise:

Any sound that unreasonably disturbs or interferes with the peace, comfort, and repose of owners or occupants of real property and causes a noise complaint to be reported by two or more persons occupying separate residences neither of which residence is within the same property boundary;

Any sound which occurs between 10:00 p.m. in the evening and 6:00 a.m. the following morning and shall include, but not be limited to, the following:

- * Frequent, repetitive or continuous sound made by any animal which emanates from a building, structure, or property and is received within a residential zone.
- * Any sound in a residential zone made at any time by using, operating, playing or permitting to be used, operated or played, any amplification device or equipment, including, but not limited to, radios, musical instruments, phonographs, tape players, CD players or recorders, sound amplification systems or other machines or devices used for producing or reproducing sound at any time with volume louder than is audible by the owners or occupiers of dwelling units within such residential zone, where said owners or occupiers of the dwelling units are within such dwelling units, and where such dwelling units are not attached.
