

## West Richland Police Department National Night Out

The West Richland Police Department and the West Richland Area Chamber of Commerce would like to thank everyone who came out to attend the National Night Out Event that was held August 3rd, 2021.

What a great turn out!! Thank you for making this Crime Prevention Event such a great success! Thank you to all our vendors and volunteers that participated in helping us make this event possible.

Every year this event is put on honoring our local heroes in Law Enforcement in a way we can acknowledge them for keeping our community safe and sound. What a great opportunity to come and get to know your local Police Officers and thank them for a job well done! I'm sure the kids loved it as parents took time out to make it a family night to remember with the West Richland Police Officers. It was good to be back since we couldn't have it last year because of the pandemic. This year we took every precaution to have all necessary elements to be safe due to State guidelines.

We can't express enough thank you's to all our sponsors and the donations that made this event happen. Thank you once again for coming out and having a great time with your West Richland Police Department and everyone who helped make this event a success!

## New City Website

At the beginning of September, the City of West Richland launched its new website. The url to get to the site remains the same at [www.westrichland.org](http://www.westrichland.org), however, visitors will notice a dramatic difference in appearance! This new site allows visitors to sign up for notifications for topics that interest them. It is more interactive, and is just more aesthetically pleasing than the old site. We invite our residents to take it for a spin, and we welcome your feedback!

## West Richland Earns 2020 Outstanding Wastewater Treatment Plant Award

“The City of West Richland is honored to earn this award for maintaining 100% compliance with our National Pollutant Discharge Elimination System (NPDES) Permit and providing exceptional treatment of the City’s wastewater in 2020. This is the eighth time in nine years the City has received this award. This achievement exemplifies the hard work, talent and commitment of the employees within our Public Works Department’s Sewer Division and Engineering Division along with the strong support from City Councilmembers and Mayor Brent Gerry in helping to protect water quality.”

-Roscoe Slade, Public Works Director

The City of West Richland was one of three wastewater treatment plants in Benton and Franklin County to receive the 2020 award; West Richland, Benton City and Pasco.

## A Time of Remembrance - September 24<sup>th</sup> - September 26<sup>th</sup>

Time of Remembrance was founded by Shirley Schmunk in 2006. Shirley lost her son, Jeremiah, in Baghdad, Iraq just two years earlier. Shirley envisioned an event that would provide families an opportunity to honor their fallen loved ones while finding a place of support and camaraderie within each other.

On September 24th through September 26<sup>th</sup>, the annual Time of Remembrance will be held to honor the families and comrades of Washington, Oregon, and Idaho’s Fallen. This tribute is being held to honor those who have died for their country and the families left behind.

## Hogs & Dogs 2021
