

“Welcome to our neighborhood.

Do your part to help protect our waters.”

The Kennewick, Pasco, Richland and West Richland residents and business community can be invaluable participants in the effort to protect our waters.

It is very important that a spill, leak or other discharge is reported immediately so the contaminants can be contained to avoid polluting our rivers or creeks.

Do your part by reporting spills, leaks or other discharges to your City’s Spill or Illicit Discharges Hotline.

Spill or dumped oil.
