

CHILD ABUSE INVESTIGATION AGREEMENT

THIS AGREEMENT is entered into by and between BENTON COUNTY and the following:

CITY OF PASCO
CITY OF KENNEWICK
CITY OF RICHLAND
CITY OF WEST RICHLAND
CITY OF PROSSER
CITY OF CONNELL
FRANKLIN COUNTY

(collectively referred to as "Participating Agencies").

SECTION 1 - PURPOSE

Benton County shall hire one or more child interviewers ("child interviewer") qualified and trained to provide objective, forensic interviews of children to determine if abuse occurred and the details of any abuse. The interviews by the child interviewer will be used in investigations and prosecution. The Participating Agencies, desiring the services of the child interviewer for their own investigations and prosecution, have agreed to pay for a portion of the salary and associated costs of the child interviewer. Thus, it is the purpose of this Agreement, in accordance with the Interlocal Cooperation Act (RCW Chapter 39.34), to provide for a joint use of the child interviewer's services.

No separate legal entity is intended to be created by this Agreement, and for the purposes of RCW 39.34.030, no property, real or personal, is intended to be acquired, held or disposed of incident to this Agreement, and no operating fund is anticipated to be created. Nothing in this Agreement shall be construed to relieve any public agency of any obligation or responsibility imposed on it by law.

SECTION 2 - AVAILABILITY

The child interviewer shall be available for interviews during normal business hours and also available on an "on call" basis.

SECTION 3 - ADMINISTRATION

The child interviewer shall be an employee of Benton County. As an employee, Benton County shall provide direct supervision and shall perform all administrative functions concerning the child interviewer, including, but not limited to, determination of

benefits and related conditions of employment. Benton County shall have authority to terminate the child interviewer pursuant to the law and rules that apply to Benton County.

SECTION 4 - CHILD INTERVIEWER PROCEDURES

4.1 Child interviewer shall provide documentation of the interview to the Participating Agency requesting the interview and shall testify at any criminal trial when requested by the Participating Agency. The child interviewer is considered a criminal justice agency for purposes of RCW 10.97 and shall not disseminate any information about an interview to any non-criminal justice agency without the permission of the appropriate Participating Agency. If the child interviewer is subpoenaed by any non-criminal justice agency, the interviewer shall notify the appropriate Participating Agency.

4.2 The Benton County Prosecuting Attorney's Office shall form an advisory group consisting of representatives of each of the Participating Agencies. The advisory group will review the interview procedures, protocols and communication issues as well as the quality of the interview, documentation and testimony. The advisory group will meet at least quarterly.

SECTION 5 - BUDGET REVIEW

5.1 Benton County shall prepare a proposed budget for the following calendar year regarding the child interviewer's salary and associated costs and shall forward it to the Participating Agencies by June 1st. Each Participating Agency shall review and comment on the proposed budget in a timely manner so that a final budget can be prepared and forwarded to each Participating Agency by August 1st. The budget shall include the allocable expense to each jurisdiction. The proposed budget for calendar year 2012 is attached hereto as Exhibit "A."

5.2 The Participating Agencies shall be responsible for transmitting the jurisdiction allocation to their respective governing bodies in order to serve a commitment for funding of the budget for the following year.

SECTION 6 - COMPENSATION

As compensation for the use of the child interviewer's services, each Participating Agency shall pay Benton County a percentage of the actual costs (salary and associated costs) incurred by Benton County. The percentage each Agency is obligated to pay is based on the Jurisdiction Allocation Formula, as set forth below. Allocation is based on a 50/50 split between

prosecution and law enforcement. Allocation between jurisdictions is based on population.
