Assists in the operation of a variety of sewer cleaners, jet rodders, pressure washers, and TV inspection equipment in the inspection, maintenance and construction of sewer lines and laterals.

Inspects sewage and storm water lift and pump stations; removes debris; disassembles and cleans pumps and performs minor repairs when necessary.

Performs a full range of maintenance duties including raising manholes, repairing sewer manholes, construction and repair of storm conduits, curbs, gutters and drainage facilities; assists in mixing concrete and executing necessary masonry work; installs, repairs and maintains water and sewer mains and lines; assists in constructing new sewer connections as well as repairing drains and sewer facilities.

Cleans animal kennel: allows dogs out into open area, cleans and disinfects kennel; cleans, disinfects and refills water dishes; refills food containers; cleans and disinfects drain trough and removal of solid waste.

Attends training and safety meetings as necessary.

Performs related duties as required.

Provides assistance to other departments as assigned.

Builds and maintains positive working relationships with co-workers, other City employees and the public using principles of good customer service.

Makes every reasonable effort to continually improve the manner in which the job is performed and increases the quality of service to the public.

Performs other duties as required and perform all work duties and activities in accordance with City policies and procedures.

Works in a safe manner and report unsafe activities and conditions. Follows City-wide safety policy and practices and adheres to requirements concerning safety prevention, reporting, and monitoring as outlined in the City’s Safety Handbook.

**Supervisory Responsibilities**

This position has no supervisory responsibilities.
Qualifications To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Education and/or Experience

High School diploma or GED equivalency is required.

Certificates, Licenses, Registrations

Current WA State driver's license with an insurable driving record.

Competencies

To perform the job successfully, an individual should demonstrate the following competencies:

Core

Use Technical/Functional Expertise: Displays an appropriate depth of knowledge and skills as required for the position and commensurate with the time in class. Uses technology as appropriate for the position. Seeks additional knowledge and information to continually enhance knowledge in areas of specialty.

Be Accountable for Performance: Actively shows responsibility, reliability, and trustworthiness. Ensures work and information are complete and accurate. Admits mistakes and looks for ways to improve. Models self as dependable and reliable. Follows up with others to ensure agreements and commitments have been fulfilled. Values the importance of team and organizational success.
